

The guest experience at Bolingbrook Golf Club is priority number one. From the friendly and helpful golf staff meeting you at your vehicle, to the locker room attendant providing a guest locker and shoe shine, we have our guests covered. We could let our amenities speak for themselves, but it is our belief that while our facility is great, it is our tremendous staff that go above and beyond that make this a truly special place.

Guest Services Provided to 2019 MDA Golf Classic Participants

- Staff to greet guests at cars for bag and cart service, ready to assist from vehicle to tee box
- Men's and women's locker rooms with shower and towel service
- Full time locker room attendant on staff that provides shoe shining and spike service
